

**Ministry of Agriculture, Water and Forestry**

**EXPRESSION OF INTEREST**

**THE MANAGEMENT OF THE STRATEGIC FOOD RESERVE FACILITIES ON  
BEHALF OF THE MINISTRY**

The Government is implementing a programme to ensure food security in the country. To that effect, four silos have been constructed in Katima Mulilo (Caprivi region), Rundu (Kavango region), Okongo (Ohangwena region), Omuthiya (Oshikoto region) and the silo in Tsandi is in the process of construction.

These facilities will store mainly white maize, wheat and pearl millet (mahangu). In order to effectively manage these infrastructures, the service of an Operating Agent is required.

Invitations are therefore extended to entrepreneurs to serve as an agent.

The functions of an Operating Agent shall entail:

- Management of physical infrastructure
- Procurements of grains and treatment thereof
- Replenishment of the grains
- Treatment, Fumigation of the grain

Interested parties should contact Mr. Erich Petrus in order to collect necessary documents before the 30<sup>th</sup> June 2009.

For enquiries please contact:

Mr. E. Petrus
